Free and Open Source

Build Box

Unity

SKILLS

LANGUAGES:

• C • Java

• HTML • CSS • JavaScript • PHP

TOOLS

• Visual Studio • Postman • Git • IntelliJ

OPERATING SYSTEMS

• Windows • Linux

DATABASES

• MySQL

EXPERIENCE

BHIMAVARAM.ONLINE (SRKREC STARTUP) | INTERN AS WEB MANAGER AND FRONT-END DEVELOPER (USING POSTMAN API)

Feb 2022 – Dec 2023 | Bhimavaram

- Initiated as a Web Manager responsible for overseeing website operations and transforming the website UI/UX using Open-cart.
- Successfully contributed to the transition of the startup to ONDC, a re-branded version.
- Moved into a key role that focused on using the newly developed API to improve functionality.
- Collaborated closely with the development team to integrate the API, resulting in improved user experience and expanded capabilities.

CONSTRUCTN | INTERN

Aug 2023 - Feb 2024

- Currently interning at Constructn.ai, an AI-based startup pioneering groundbreaking advancements in the construction industry.
- My primary responsibility involves meticulously annotating interior and exterior objects, including walls, doors, frames, and more, to establish a comprehensive data set.
- This data set plays a pivotal role in augmenting the AI's capabilities for object understanding, recognition, and analysis.

PROJECTS

[HTTPS://IICRS2024-UOHYD.IN/](https://iicrs2024-uohyd.in/) link

- Designed and developed a website for the School of Life Sciences at the University of Hyderabad to facilitate the International Conference on Intra- and Inter-Cellular Regulatory Systems. Implemented user-friendly features and ensured seamless navigation for conference attendees. The website served as a central hub for information dissemination, registration, and resource access, contributing to the success of the event.

[HTTP://SERIXXO.COM/](http://serixxo.com/) link

- Developed a responsive and intuitive website for a restaurant, ensuring optimal viewing experience across various devices.
- Implemented real-time features for instant updates on menu changes, special offers, and reservation availability, enhancing user engagement and facilitating seamless customer interaction.

EXTRA CURRICULAR ACTIVITIES

IEI TREASURER

- As treasurer, I manage funds for our student body, ensuring transparency and smart spending for our activities.
